BASIS OF AWARD PER 117-B-04-22-LR SECTION 33.0: It is the intent of WCSD to award to three (3) vendors based upon the lowest responsive and responsible bids for irrigation repair services in order to satisfy the requirements of WCSD. The primary consideration for awarding this Bid will be based on the total extended price of Items 1-3; the secondary consideration for awarding this Bid will be based on the total extended price of Item 14. All other items are mitigating information that will be considered based on the best interest of WCSD. These prices may also be utilized for normal maintenance and repair on an "as-needed" basis and will be held by each awarded vendor should the use of them arise.
