<b>Building Area(s):</b>	57,785 existing sf; adding approximately 10,000 new sf
<b>Estimated Project Budget:</b>	\$13,000,000
<b>Estimated Construction Budget:</b>	\$10,000,000
<b>Liquidated Damages:</b>	\$5,000 per day

**PRE-CONSTRUCTION SERVICES:**

Washoe County School District (WCSD) is seeking a qualified Construction Manager at Risk (CMAR) to provide pre-construction services during the design phase of the expansion and remodel (modernization) of Bernice Mathews Elementary School (Mathews ES) located at 2750 Elementary Drive in Reno, Nevada. The awarded CMAR's duties will include, but are not limited to, the review of the following packages: schematic design development; design development, and construction document deliverables provided by Van Woert Bigotti Architects. The CMAR shall provide constructability analysis, proposed approach to work during an occupied campus, construction schedule; cost estimates for each drawing deliverable; provide value engineering; and other typical CMAR pre-construction services. The CMAR will also be required to manage subcontractor procurement in accordance with all applicable laws and policies in the development of one or more Guaranteed Maximum Price (GMP) construction contracts for consideration by WCSD.

**PROJECT SCOPE INCLUDING CONSTRUCTION SERVICES:**

The modernization of Mathews ES will have emphasis with compliance of WCSD's Education Specification within the allowed project budget. Priority scope items include, but are not limited to; the expansion of the school as needed to provide space for students currently residing in portable classrooms; removal of all portable classrooms; safety improvements such as new single point-of-entry; surveillance cameras; fencing; additions of flexible learning spaces; media center; outdoor learning area with shade; renovation and or refresh of existing interior spaces as needed to provide functional spaces for programs; and administrative staff as prioritized during the programming phase. The expansion is estimated to add approximately 10,000 square feet.

**OTHER CMAR REQUIREMENTS:**

The awarded CMAR will be responsible for leading and participating in the implementation of STEAM Focused Educational Engagement (refer to EXHIBIT I attached hereto). The CMAR, in conjunction with the design team, school leadership, and teaching staff, will develop a program and content for each student engagement activity prior to the beginning of construction. The CMAR may choose to bring enhancements or outside experts to add further content to each activity.

**ARTICLE 2:**  
**PAYMENT TERMS & DEFINITIONS**

Payment Terms and Definition provisions are as set forth in Section 8 of the Owner-CMAR General Conditions of the Contract for CMAR (refer to EXHIBIT E attached hereto). The CMAR Pay Rate Reference Sheet (for Pre-Construction & Construction Personnel) is a request for additional information with regards to various costs associated with pre-construction and construction services and will be used

for Owner Informational Purposes Only (refer to EXHIBIT A attached hereto). Upon arrival for the formal interviews and presentations meeting, only those firms named as Short-Listed Applicants, are required to complete, and provide six (6) copies (all in one (1) sealed envelope) both the CMAR Pay Rate Reference Sheet (EXHIBIT A) and the CMAR Fee Proposal Form (EXHIBIT B).

***IMPORTANT: Additional Pre-Construction Services Fees will not be considered for any additional time for planning or construction activities associated with this Project after the award of the CMAR.***

### **ARTICLE 3:** **CMAR PRE-CONSTRUCTION & CONSTRUCTION SERVICES**

The PRE-CONSTRUCTION services required will include design assistance, multiple budget verifications, multiple constructability reviews, and construction systems or methods alternatives for “cost reduction” or “value engineering/added” purposes, construction scheduling including phasing, and logistics planning. Pre-Construction services may include multiple Guaranteed Maximum Prices (GMPs) providing WCSD with bidding services and producing all GMPs in accordance with [NRS 338 – PUBLIC WORKS](#) for the proposed construction work. WCSD expects the CMAR, during the Pre-Construction phase, to perform the pre-construction work following the approval and award of the CMAR and the successful execution of the Owner-CMAR Pre-Construction Contract (“SAMPLE” contract attached hereto as EXHIBIT C).

During the CONSTRUCTION phase, WCSD expects the CMAR to perform the construction work according to the awarded GMP and following the successful execution of the Owner-CMAR Construction Contract (“SAMPLE” copy attached hereto as EXHIBIT D) and receipt of Notice to Proceed by WCSD.

Pre-Construction and Construction services shall be performed in accordance with [NRS 338.16935 to 338.16995](#), inclusive and the Owner-CMAR General Conditions of the Contract for Construction Manager at Risk (attached hereto as EXHIBIT E).

### **ARTICLE 4:** **MANDATORY PRE-PROPOSAL MEETING**

The Mandatory Pre-Proposal Meeting identified on Page 1 of this RFP will require that attendees, who intend to submit proposals on the project and act as the CMAR, participate in the entire meeting including any project site walk. Attendance will be recorded at the beginning and at the conclusion of the meeting on the Pre-Proposal Attendance Sheet and then posted on WCSD’s Solicitations website at <https://solicitations.washoeschools.net>. Leaving prior to the conclusion of the meeting and project site walk risks Proposer’s attendance being disqualified and struck from the sign-in sheet. All interested Proposers are responsible for ensuring that they document their attendance by signing the Pre-Proposal Meeting Attendance Sheet. Failure to do so will result in submitted proposal(s) being rejected by WCSD for evaluation and award consideration. Arriving late to the Mandatory Pre-Proposal Meeting may result in a Proposer not being allowed to sign in and/or attend the meeting and any project site walk. Should this occur, because this meeting is mandatory, the Proposer will not be allowed to submit a proposal.

### **ARTICLE 5:** **AWARD OF CMAR**

This CMAR solicitation will be awarded to one (1) contractor, as the CMAR. The official award of the selected CMAR and the Owner-CMAR Pre-Construction Contract will be made by the WCSD’s Board of

Trustees (Board) whose decision will be final. The Owner-CMAR Pre-Construction Contract will be fully executed and an official WCSD Purchase Order processed following the Board's approval and prior to the Design/Pre-Construction Initial Team Meeting. At the Design/Pre-Construction Initial Team Meeting, the schedule for Schematic Design, Design Development, Construction Documents, CMAR's GMP Proposal, Owner-CMAR Construction Contract, Construction, and Completion for this Project will be cooperatively determined by the Owner, Design Team, and the CMAR.

#### **1. Cover Letter, Firm Information, Public Disclosure Form & CMAR Signature Page**

- ☐ A cover letter shall be included that addresses pertinent general information as deemed appropriate by the Proposer. The cover letter shall also include:
  - The appropriate contact person at the Proposer's firm with their full name, title, office phone number, cell phone number (if applicable) and email address.
  - Firm's name, business address, year established, type of firm ownership (i.e., sole proprietorship, joint venture), name and address of parent company, former parent company names, name and contact information for principal personnel, areas of responsibility, and total number of personnel.
  - Include an explanation of whether or not the Proposer has an office within Washoe County (or the contiguous counties to Washoe County in Nevada).
- ☐ Proposals shall include three (3) references (at minimum) with contact information including names, titles, phone numbers and emails. Proposers are to refrain from naming any current WCSD employee/staff as a reference.
- ☐ The **Public Disclosure Form for Vendor/Contractor** (EXHIBIT G) is a **REQUIRED FORM** and must be completed and included with proposal submission.
- ☐ The **CMAR Signature Page** (EXHIBIT H) is a **REQUIRED FORM** and must be completed and included with the proposal submission. If this form is not completed, signed accordingly, and returned with the proposal submission, the proposal, in its entirety, will be rejected.

#### **2. Preferential Bidder Status Certificate of Eligibility & Affidavit**

- ☐ Certificate of Eligibility for Preferential Bidder Status
- ☐ Preferential Bidder Status Affidavit (EXHIBIT F)

*Proposers must submit **both** the firm's Certificate of Eligibility for Preferential Bidder Status and the firm's Preferential Bidder Status Affidavit with its proposal submission in order to receive the designated points during the proposal evaluation phase to select Short-List Applicants **and** must provide **both forms again** during the formal interviews and presentations meeting in order to receive the designated points for this phase of the CMAR selection process.*

### 3. **Firm Organizational Chart**

- ☐ Indicate lines of responsibility and/or communication. Clearly identify Key Personnel who will be assigned to this Project (refer to Section #5 – Key Personnel to be Assigned to this Project).

### 4. **Current Workload**

- ☐ Provide a list and a summary paragraph describing the firm's current workload, including a list of project names and the associated contract values.

### 5. **Key Personnel to be Assigned to this Project**

***NOTE: Any changes the CMAR desires to make to the key personnel presented in its proposal after award of the CMAR, must be approved in writing by WCSD (as the Owner) prior to implementation.***

- ☐ Provide a resume for each key person who will be assigned to this Project. Include their name and title, Project assignment, total years of construction experience, years of experience with the CMAR firm, education including degree(s), year and discipline(s), active registrations and licenses including the number and issuing State, other qualifications, and experience. Also, provide a summary of any experience they may have with CMAR-related pre-construction services.
- ☐ Describe each key person's specific role performed on each project listed in their resume, highlighting projects of comparable size and scope where the person's role would be similar to their role on this Project.
- ☐ At minimum, provide resumes (that include qualifications and experience) for the Project Manager(s), Assistant Project Manager(s), Superintendent(s), Assistant Superintendent(s), Pre-Construction Estimator, Pre-Construction Constructability Coordinator, Pre-Construction Schedule Coordinator, and Construction Schedule Coordinator. Provide this information for both the Pre-Construction and Construction phases if different personnel will be utilized.
- ☐ Provide a Project-specific organizational chart identifying this Project's assigned key personnel.
- ☐ Provide a scope, resume, and firm information for key subcontractors that may be involved with this Project's pre-construction services.

### 6. **Experience in Projects of Similar Size and Scope (CMAR or Non-CMAR Experience)**

- ☐ Include experience on up to ten (10) projects of comparable size and scope in public and/or private sector. Include project name, project description, client references of those who have knowledge of the background, character, and technical competence of the firm (including contact name, address, and telephone), completion date, project initial budget, initial construction award, and final construction cost, type of services provided, project initial and final schedule, and other pertinent information.

- ☐ Specify the delivery method utilized for each of the listed projects. Relevant Project experience may include projects using any delivery method, including without limitation, CMAR, Design-Build, Design-Assist, Negotiated, or Value-Engineered work.
- ☐ Include any specific experience the firm has with additions, expansion, and/or renovations to existing active schools.
- ☐ Include an explanation of the experience the firm has in assisting in the design of projects and an explanation of the experience the firm has in projects within the State of Nevada and a statement as to whether the proposed key personnel listed in Section #5 – Key Personnel to be Assigned to this Project were involved in any of the listed above projects.

## 7. **Project Implementation Plan**

- ☐ Describe the firm's approach to performing pre-construction services for this Project.
- ☐ Describe how the firm would typically involve subcontractors in the pre-construction process and obtain subcontractor bids in a CMAR process for this Project.
- ☐ Describe the firm's approach to performing construction administration and construction management for this Project.
- ☐ Describe the firm's approach to controlling a project's budget and schedule for this Project.
- ☐ Describe the firm's approach to performing quality assurance and quality control during construction of this Project.
- ☐ Describe the firm's approach to achieving project close-out (commissioning, punch-list, and warranty work) for this Project.
- ☐ Provide an explanation of what work duties are being completed out of the office within Washoe County (or contiguous counties to Washoe County in Nevada) as they relate to this Project.

## 8. **Past Performance** *(for all projects with a Construction cost over \$1,000,000 completed in the last 5 years)*

- ☐ List the name and general description of each project.
- ☐ List the firm's record of cost performance (list contract award amount versus final Construction cost). Explain any cost deviations and include any settlement costs/fees with any previous Owners due to schedule deviations.
- ☐ List the firm's record of schedule performance (list original schedule versus substantial and final completion date). Explain any schedule deviations.
- ☐ Provide a letter certifying that the firm has **not** been disqualified from any project (per [NRS 338.1691.2](#)).

**9. Litigation & Dispute History** *(list all projects that have had litigation or disputes within the last 5 years)*

- ☐ Have liquidated damages been assessed against the firm?
  - If yes: describe when, where, and why.
- ☐ Has there been a termination of a contract before completion?
  - If yes: describe when, where, and why.
- ☐ Has the firm been declared to be in default on any contract (whether bonded or not bonded)?
  - If yes: describe when, where, and why.
- ☐ Has any type of settlement been paid by the firm or to the firm in excess of \$25,000?
  - If yes: describe when, where, and why.
- ☐ Has there been a judgment rendered for breach of contract, other than a breach for legitimate cause?
  - If yes: describe when, where, and why.
- ☐ If a judgment has been entered and a case has been appealed, provide the general facts of the case and the basis of the appeal.

**10. Insurance and Bonding Capacity**

- ☐ Submit evidence of the financial capability of the firm's bonding company.
- ☐ Confirm if the firm's bonding company is listed by the United States Treasury.
- ☐ Submit written certification or other appropriate evidence from the firm's bonding company confirming that the firm will have adequate bonding capacity should this Project, with the estimated project budget listed in Article 1 of this RFP, be added to the firm's current and anticipated workload.
- ☐ Submit evidence that the firm meets all insurance requirements as outlined in Article 7 of the Owner-CMAR General Conditions of the Contract (attached hereto as EXHIBIT E).

**11. Safety Program**

- ☐ Provide a summary description of the firm's safety program including sample documentation and forms. Provide any third-party safety consultant program to be utilized to this Project.
- ☐ Describe the firm's approach to administering safety on this Project. Include a summary of any assigned personnel and the percentage of their time that will be allocated to this Project.
- ☐ Provide the firm's safety record for the last five (5) years.

**12. Drug & Alcohol Policy**

- ☐ To be eligible to perform work on WCSD projects, all contractors, regardless of tier, shall have in place a Drug and Alcohol Policy (Policy) applicable to all workers who will be employed on

those projects. This requirement is a reasonable precaution to ensure a safe and drug-free environment on school construction projects as they may involve workers being in relatively close contact with students.

- ☐ The Policy must meet the minimum requirements of WCSD's [Board Policy 4214 – Alcohol and Controlled Substance Free Workplace](#).
- ☐ Proposers shall demonstrate compliance with this provision by submitting a certification under penalty of perjury that the Policy is in place, that it will be actively enforced, and that all workers who will be employed on WCSD projects will have undergone the pre-placement drug testing required by WCSD.

WCSD and/or the CMAR are empowered to review the CMAR's records of enforcement of its Policy at any time during the period following award of the contract up to and including completion of the Project in order to determine whether the policy is in fact being enforced. Proposers shall forthwith deliver to the WCSD any and all records requested to determine compliance with the Policy requirement. Failure to maintain or rigorously enforce the Policy or to timely respond to WCSD demands for production of records relating to the Policy may result in termination of the Project contract at no cost to WCSD.

## **ARTICLE 9:** **PROPOSAL EVALUATION & SELECTION CRITERIA FOR SHORT-LIST APPLICANTS**

In order to identify the Short-List Applicants, evaluations will be based on how the submitted Proposals align with the requested information from the RFP and scored by the RFP Evaluation Committee according to the Short-List Applicants Selection Criteria and Weights outlined below. Per [NRS 338.1693\(4\)](#) a short-list of between two (2) and five (5) CMAR firms will be selected based on proposal evaluations only.

All Proposers understand and accept that the weighted selection criteria are both subjective and objective by nature and that the weight factor of each category is intended to define its relative importance. The final ranking of each firm will be based on a combined evaluation of all evaluation criteria by all RFP Evaluation Committee members. By submitting an RFP response, the Proposer acknowledges that WCSD has sole and absolute discretion in determining the selection criteria and in evaluating all proposals based on the selection criteria in each category.
